

NETBALL DEVELOPMENT – NORTH LAKES

Client: Moreton Bay Regional Council | Duration: November 2021 – July 2022

Project Description

NPG delivered a 4 court Netball Development with an amenities building inclusive of an Operations and Storage Room for the local Netball Club. The works included 2 concrete pours for the 3100m² court area. The works scope involved:

- Erosion and Sediment Control
- Earthworks
- Concrete Works
- Court Surface Application
- Fencing and Accessories
- Building Construction
- Electrical Lighting Upgrades
- Landscaping

NPG as Principal Contractor was able to provide a high quality in surface finish thanks to the use of our surveyor providing constant pad heights via our survey model in real-time allowing for the highest of accuracy for the diagonal fall across all courts.
